Fireworks Night Card

Keep your dog calm and safe on New Year's Eve

Before and during the fireworks

- [ ] Update collar tag and microchip details
- [ ] Set up a quiet safe room with water and a bed
- [ ] Walk your dog in daylight, on a leash
- [ ] Close curtains and start background sound early
- [ ] Keep doors shut and use a leash outside
- [ ] Check the yard for debris on New Year's Day

Never scold a scared dog. Let it hide if it wants.
